July 25, 2022 Wolf Knight Fire Emblem Warriors: Three Hopes 0 Gift guide for all characters in Fire Emblem Warriors: Three Hopes, including all gift items that each ally unit likes and dislikes to increase Support Level and Morale in the game. All Favorite and Disliked Gifts of all Characters in Fire Emblem Warriors: Three Hopes Below are all the best and worst gifts for all characters in Fire Emblem Warriors: Three Hopes. Giving active characters gift items they like increases both their Support Level and Morale in battle. Gifting allies gifts they do not like, however, will only increase Support Level. For the majority of the returning characters from Three Houses, you will notice that their preferred and disliked gifts are generally the same for Three Hopes. Three Houses Favorite Gifts for each Character How to Acquire Gift Items From Save Data Bonuses If you have Fire Emblem Warriors and Fire Emblem: Three Houses save data in your Nintendo Switch, you can obtain 10 Owl Feathers overall. These gift items are a favorite of all of your characters. Make sure to use them when there are no other options. From Item Shopkeeper Buy gift items from the Item Shopkeeper located within your Base Camp. Prices of gift items vary depending on rarity. The higher the rarity, the more expensive the item is. Take note that the shopkeeper will not replenish its supply of gift items until your current chapter's main quest battle stage is cleared. Make sure to buy all of them before finishing a chapter. If you run out of gold, sell Gold Bullions or re-run a previously cleared battle stage to gain money. From Volunteering You can gain gift items by accomplishing a volunteer task with your partner units. If you yield a "Perfect" result in your volunteering, you will obtain high rarity gifts that you can send to your allies. You can either reroll or boost this facility through the Facilities Master to increase the chance of getting a perfect result. From Survey Spots When you reach Chapter 4 of your chosen story route, you will gain access to the war map filled with survey spots. Once you cleared a battle stage (or a side quest battle), you can examine the surrounding survey spots and acquire bonus gift items. How to Give Gifts By Exploration Give gifts to your ally units through exploration at the base camp. Locate your character and send the gift item upfront. This method is essential when you just recruited new characters in your army since it requires Support Level C to make them available for Expeditions. You need to give 2-3 gift items to a character for the Support Level C to unlock. By Expeditions Another method to give gifts is through Expeditions. Maximize the boost effects of the gift items when you successfully unlock a Perfect Conversation result in that social event.
